London Fly Meeting

December special lecture

2022

The London Fly Meeting is proud to host a special lecture showcasing the exciting work from [DrosAfrica](#) and [TReND in Africa](#)

Wednesday 7th December at 5.30pm-6.30pm (GMT), Auditorium I
The Francis Crick Institute (and on Zoom)

Programme:

- **Isabel Palacios** (QMUL)
DrosAfrica: Building an African biomedical research community using *Drosophila*
- **Lucia Prieto Godino** (The Francis Crick Institute)
TReND in Africa: a multi-prong approach to promote scientific research and education in the African continent.
- **Monsurat T. Gbadamosi** (Vivan Therapeutics)
On becoming a Nigerian fly Scientist: My Journey
- **Amos Abolaji** (University of Ibadan, Nigeria)
Driving *Drosophila* Initiative in Nigeria: From Two Vials of Flies to *Drosophila* Laboratories.
- **Mahmoud Maina** (Sussex University and Yobe State University, Nigeria)
BioRTC: Establishing an open access centre of excellence in Nigeria.
- **Angela M. Danborn** (Bingham University, Nigeria)
Girls and Women's Education in Neuroscience in Nigeria: Support from TReND.
- **Panel discussion and questions**
